About the Park

Prince Charles Park is a community playground located in a quiet neighbourhood surrounded by older residential homes. The community park is an ideal destination for families with small children with a wheelchair accessible playground and wading pool. The looming trees provide shade from the sun, the grass lawns give way to children so they can play and the sitting benches provide some comfort for Moms and Dads while the kids let loose and burn off some energy. Please note there is no lifeguard on duty at the wading pool.
